

A Swedish compostable and biodegradable product

- 1 Disposable apron. Ideal and hygienic as protection against spills and splashes.
- 2 Effectively protects the user against liquids. For example dentists, veterinaries, nurses, doctors, etc. Can also be used by patients.
- 3 With adhesive tape on shoulders and waist. Stays well in place during use.
- 4 One layer of highly absorbent Scandinavian tissue and one layer of film, that works as a barrier.
- 5 The product is made from natural materials, which makes it fully compostable and biodegradable.
- 6 FSC certified. This ensures that the forest is produced sustainably and during good working conditions.
- 7 Production in Sweden with locally sourced raw materials, which ensures short transport distances.
