

Ideal and hygienic as protection against spills and splashes

1 Readily attached with self-adhesive tape fastening on the shoulders and across the waist. For a convenient application.

2 Designed to protect the dentist, doctor, nurse, veterinary, etc. Can also be used by patients.

3 Comfortable to wear during use. Stays well in place.

4 Easy and quick to unfold and apply.

5 One layer tissue and one layer of PE-film, where the film is working as liquid barrier.

5 Blue tissue from recycled fibers, with fast and excellent absorption abilities.

6 Strong, resilient and liquid safe, due to high-quality blue PE-film (polyethylene).
