

Absorbs moisture quickly and effectively

- 1** Disposable Dry Pad, made of super absorbent fibers and airlaid.
- 2** To be used on the body for a fast and easy absorption of moisture
- 3** The unique shape, makes it easy to apply in many places, where it otherwise could be difficult to reach.
- 4** Easy application, e.g. between the folds in the skin, between the buttocks, in the armpit, under the bust, in the groin or in the hand.
- 5** The soft material provides a comfortable feeling against the skin and prevents redness and irritation.
- 6** Stays well in place during use.
- 7** To be changed after usage or when dampened/wet. Do not reuse.
- 8** Dermatologically tested. Suitable for people with sensitive skin.
- 9** Packed in a hygienic and user-friendly bag, with a perforated opening. Easy and convenient to store.
