

For a fast and easy absorption of moisture

- 1** A hygienic single-use product, to be used on the body for a fast and easy absorption of moisture.
- 2** A new, unique and innovative product developed together with an assistant nurse.
- 3** The unique banana-shape makes it easy to apply in many places, for example groin, bust, armpit, skinfolds, buttocks, toes, or anywhere where moisture can appear.
- 4** Made from exclusive and soft materials, which provides a comfortable feeling against the skin.
- 5** Works preventative as you reduce the risk of getting skin fungus, itching or burning caused by moisture
- 6** Change after usage when damp or wet. Do not reuse.
- 7** Dermatologically tested. Suitable for people with sensitive skin.
- 8** Packed in a small, hygienic and user-friendly packaging, with a perforated opening. Allows a hygienic handling and practical storage.
- 9** Produced in Sweden.
